# The Historical Pilgrimage Route

When the third Caliph, our master Uthman Ibn Affan (may Allah be pleased with him), ordered that the port of Jeddah become the main port for receiving pilgrims instead of Al-Shaiba, the city of Jeddah became the gateway to the Two Holy Mosques. In modern times, the pilgrimage journey would begin from the Al-Bunt port until they reach the city of Makkah to perform the rituals of Hajj or Umrah.

**Duration of the tour:** one hour to one hour and a half.
